

TRIONE *Vineyards & Winery*

2008 TRIONE RED WINE **ALEXANDER VALLEY, GEYSERVILLE RANCH**

93 POINTS

"Powerful and dense, yet elegant and transparent, this is very tight today with fine balance ... This really is striking ... Very attractive showing great balance and freshness."

Gregory Dal Piaz

Snooth.com

January 2013

90 POINTS

"This expressive and multi-layered red blend delivers lots of "big wine" richness yet is always well-balanced ... it will round into real beauty with six to eight years of aging."

Connoisseurs' Guide to California Wines

April 2013

RATING: 4.2 OF 5 POINTS

"A blend of 53% Cabernet Sauvignon, 22% Merlot, 11% Petite Verdot, 10% Cabernet Franc and 4% Malbec. This richly intense wine with plenty of fruit needs at least an hour in the decanter to unfold its true potential. Patience is rewarded with a nose of blueberry, ripe plum, ripe raspberry and jammy pie spice. The complex flavor profile includes notes of blueberry, ripe raspberry, dark cherry, baking spice and toasty oak. Supple tannins and good acidity make for good winter dish food pairing. A long finish with notes of dark chocolate."

"This wine has terrific structure and is well proportioned. It will age gracefully for at least a decade."
