“SYRAH OF THE YEAR”

92 POINTS

“Dark and spicy on the nose with early hints of cracked black pepper, grilling beef, chocolate, violet pastille and fruit that recalls both black currants and blackberries ... Big and decidedly New World but very well done in the style.”

“Deeply fruity...warm, sexy and inviting — but on the palate, it becomes the boss of you with its firm acidity and grip.”

GOLD MEDAL

2012 San Francisco Wine Competition

“Dried Blackberry, cherry and blueberry fruit characteristics are all in evidence on the palate. Dusty cocoa, earth, chicory and savory herbs all emerge on the finish which has terrific length. This Syrah shows off beautiful structure, firm acidity and medium tannins that yield with some air. This is a new world Syrah that shows off old world inspired style.”
